

Hottenstein Lines

May 2017

Hottenstein Lines is a newsletter of the Hottenstein Reunion for and about the descendants and many lines of ancestry of Ernst Von Hottenstein of Esslingen, Germany and descendants who immigrated to America. Presently, three immigrant lines are identified: Johann Jacob Hottenstein settled in Kutztown, PA, his nephew also Johann Jacob Hottenstein settled in Lancaster, PA, and a descendant Phillip J. Hottenstein settled in Gleason, WI. It is a newsletter that will be what we as descendants, spanning twelve (12) generations, make it. It is a newsletter to share the items of interest about our family and information about our annual reunion. At least one newsletter each year will announce the date and location of our annual reunion; additional newsletters will be prepared as information is developed or available. Your suggestions and articles are welcomed.

2017 Hottenstein Reunion Picnic to be Sunday, June 11th, at the Hottenstein Mansion, Kutztown

The 81th Hottenstein Reunion, the family picnic gathering, will be held on Sunday, June 11, 2017 at Hottenstein Mansion, on Route 222, east of Kutztown, Pennsylvania. The Reunion will begin in the morning, with the traditional catered picnic with strawberries, shortcake & ice cream for dessert, to be served at 1:00 PM. All are welcome.

Rob and Jennette Reynolds have again invited us to gather at the Hottenstein Mansion which he describes as the home of the Hottenstein family. We will be the guests of Dr. Reynolds, his family, and the Historic Preservation Trust of Berks County. Dr. Reynolds is the curator of the Mansion; he and his family reside in the home.

In addition to visiting the Hottenstein Mansion, we will have the catered Family Picnic on Sunday at the Mansion. This is a time when family members visit, share experiences, and socialize. During this time, we will have our Reunion business meeting. Dr. Reynolds and his family will explain the home, period furniture, and Hottenstein artifacts will be displayed.

Plan to arrive in the morning to visit the Mansion; our picnic begins at 1:00 PM. The program and activities follow our picnic. Dr. Reynolds will update us on his role as curator and living in the Mansion with his family. Historic Aspects of Hottenstein Home, Hottenstein Cemetery; Donations Focus for the Historic Preservation Trust

...continued from page 1

The Historic Preservation Trust of Berks County is the owner of the Hottenstein property and the Hottenstein Cemetery. The Trust has established a Hottenstein Committee which provides oversight for the Hottenstein home and property. Reunion officers, during the past year, have met with the Hottenstein Committee and, in turn, the Trust to understand needs relating to the Hottenstein homestead. From these meetings, the Hottenstein Reunion has developed this focus associated with the Hottenstein property.

The donations from Hottenstein family members and friends to the Trust assists the Trust with projects related to the Hottenstein property and homestead. In 2016, these contributions totaled \$1,000. Special procedures are established for making these contributions. Checks are to be separately payable to the "Historic Preservation Trust of Berks County"; the memo line should indicate "Hottenstein". The checks may be sent with the reservation form included with this newsletter, whether or not attending the Reunion. Contributions to the "Trust" are tax deductible and will be separately acknowledged.

2016 Hottenstein Family Reunion Meeting Minutes

June 12, 2016, At the Mansion, Kutztown, Pennsylvania

The 80th Annual Hottenstein Reunion was held at the Hottenstein Mansion in Kutztown, PA on June 12, 2016 with 59 persons attending. President Terry Schnure welcomed everyone including first time attendees eleven members of the Richard Lee Hottenstein from Humboldt, KS. Bob Hottenstein said the blessing and then we had a group photo and a photo of all first time attendees taken. It was a wonderful dinner consisting of fried chicken, roast fresh ham, rolls & butter, green beans, baked limas, scalloped potatoes, fruit cup, mixed salad and assorted beverages. It was topped off with delicious strawberry shortcake and vanilla ice cream.

President Terry Schnure opened the business meeting with thanks once again, especially to Dr. Rob Reynolds, curator of the Mansion, his wife Jennette and their daughter, Reanna. The Secretary's report was included in the newsletter which was previously mailed to everyone and the Treasurer's and Historian's reports were passed out. These reports were accepted by the Reunion.

Terry thanked everyone for contributions to the Hottenstein Reunion. These funds pay for paper and postage for the newsletter and the reminder postcard and incidental expenses to support the continuation of the Reunion.

We observed a minute of silence for those of us who departed this life in the past year and for loved ones from years past. Two additional names of persons departed were reported; these names will be added to next year's historian's report.

Harriette Rensch, daughter of Dr. David F. Hottenstein, showed us all examples of period clothing from the 1700s.

Election of officers for 2016-2017 then took place. The following slate of officers was elected:

President	Terry Schnure	Vice President	Bill Hottenstein
Secretary	Bob Hottenstein	Treasurer	Jane Herlacher
Historian	John L. Hottenstein	Member At Large	Russel Hottenstein

Eleanor Shaner, a former member of the Trust and friend of the Reunion, was given donations from family members for the Trust totaling \$725, for projects relating to the historical and architecture needs of the Hottentein Mansion and property.

Dr. Reynolds then spoke about all the work Terry has done to allow us to gain access to the cemetery. He also spoke about projects he and his students are engaged in to maintain the mansion and out buildings. He reviewed the projects underway and planned.

Terry again explained that the Reunion has a website which needs to be brought up-to-date and maintained; he asked for a family member to volunteer to be its webmaster. We could save money if correspondence were done electronically, utilizing the web site as a Hottenstein Reunion resource.

The following records were determined with modest prizes awarded:

Oldest woman	Betty Hottenstein, 89
Oldest man	David Hottenstein, 84
Married most recently	John & Kristen Owens, 1 Yr. 8 Mo.
Most grandchildren	Janet Hottenstein Tomasak, 26
Youngest grandchild	Janet Hottenstein Tomasak, 2 mo.
Couple married longest	Clarence & Barbara Hottenstein, 60 years
Traveled the farthest	The Richard Lee Hottenstein family from Kansas

Everyone was wished safe travels and the meeting was adjourned. Dr. Rob Reynolds invited everyone to have the 2017 reunion, again at the Mansion.

2016 Hottenstein Mansion Report:

Excerpted from the Annual Report for 2016 on the Hottenstein Mansion prepared by Robert W. Reynolds, Ph.D. prepared for the Historic Preservation Trust of Berks County and delivered to the Trust, April 2017.

During 2016, an intensive exterior restoration of the mansion exterior was initiated. The major project was a complete restoration of the east entrance on the driveway side of the kitchen ell.

East Entrance Door Restoration

The door and doorway was significantly worn out. The door pintles were loose because the door frame timbers were rotten, the door no longer fit and had to be lifted to close, the door had been weakened over the years with three different lock sets being mortised in the door frame, the door glass was cracked, the outside edges of the door surround panels were rotten, the timber over the doorway was rotten, and the 1960s exterior door casings were the wrong width lacking the correct decorative molding as found on the window frames of the ell.

The door and three sections of door surround were removed and taken to a shop for repair. Dutchmen were used to repair rotten sections of the doors and paneling and to repair holes left by an alarm and light switch. The broken window was repaired using period wavy glass and a German elbow latch set was installed using the original holes from the long ago replaced original German lock set. Two strap hinges, taken from a barn about seven miles away, were installed on the door

and are of the exact same style as the broken original hinges. The timber over the door, several of the lower wooden strips used to attach door pintles, and the paneling was replaced with pressure treated materials. The top of the outer opening was protected with copper flashing. The storm door and panel repairs were made of Spanish cedar, painted in linseed oil paint from Sweden, weather stripped, and hung using early twentieth century NOS hardware.

The door and doorway before, during, and after restoration.

Repair/Maintenance

An electrician added basement lighting for the laundry area and resolved a major problem in the fuse box where a damaged breaker caused repeated shorts when the water heater was under pressure.

In October a driver fell asleep, hit the front steps of the mansion. An insurance settlement was made and the three stones for the first step are currently in a mason's shop being repaired with a custom epoxy method that is the restoration standard for such repairs. The repaired steps will be installed and repointed with a lime mortar that will match the original appearance as close as possible.

Future

During 2017, the exterior restoration and linseed oil painting process shall continue. The next project is to paint the east side of the kitchen ell, repair shutters, fix the rot where several shutter pintles go,

... continued on the next page ...

... continued from the previous page ...

and install a copper gutter and downspouts. Two broken exterior lights and broken patio stones will also be repaired. Over the summer exterior mansion restoration will continue working section by section. The four windows of the east gable will be done as the third phase followed by the gable and west side of the kitchen ell including new copper gutter and downspout. The east and north side of the mansion and the east, north, and west side of the kitchen ell will be completed in 2017.

Wherever possible, as much of the old paint will be scrapped off to reveal the wood making for a perfect bond with the European linseed oil paint. This paint is expensive and incredible. If it is on the wood it will not crack or peel. Every ten years or so the paint can be renewed by going over the surface with a rag dipped in linseed oil. This process will add to the painting labor but that should be outweighed by the longevity of this painting system.

Five Year Projection

The first priority over the following five years is to repaint the windows, doors and trim of the mansion and summer kitchen and to make other repairs to shutters, pintles opening, the door surround, and steps as needed. The upper cornice of the main block of the mansion is stable and does not need painting at this time. As each section of the mansion is addressed copper gutters and downspouts will be installed.

The outbuildings will be revisited. The Doctor's Office needs replacement of German siding on the sides and rear with clapboards that match the original siding and the corner boards in the rear need replacement. The bake house needs either partial or complete residing, the entry to the root cellar needs some siding replacement, the slate roof over the smoke house has nails that are failing and the slates face replacement.

Willoughby/Wilson Hottenstein Reunion, Saturday, July 15, 2017, West Bend, WI

by Howard and Laurie Hottenstein

The descendants of Willoughby (or Wilson) Hottenstein will hold their eighth reunion on Saturday, July 15th. As last year, the location will be at West Bend at the Quass Creek Golfing Athletic Complex, 2500 Country Creek Circle, in West Bend, Wisconsin. Bring a dish to pass and lots of fun. For more information, contact Howard or Laurie Hottenstein, at 715-623-6844 or email at bumalot@gmail.com.

It was like a whirlwind had passed through Quass Creek Park on that beautiful sunny day (July 9, 2016), with the reunion just speeding along. Approximately 30 family members in attendance. In lieu of games at the Reunion in 2016, the attraction was the "Slingshot" brought to the Reunion by Andy and Darlene Klefstad.

The "Slingshot" – riding with Andy Klefstad is Zachary Hottenstein

Andy Klefstad, husband of Darlene Hottenstein, daughter of Ken & Barb, granddaughter of Chester & Eleanora

Zachary Hottenstein, son of Bob, grandson of Chet & Barb, great grandson of Chester & Eleanora

The Reunion was traditional in many other respects. There was a traditional potluck style meal with family enjoying a large variety of delicious food. Laura Henschel and girls made some lovely homemade gifts that were awarded among those attending.

Philip Hottenstein Reunion, Sunday, August 20, 2017, Potosi, WI

by Lynne Wilburn

The 2017 Mid-West Reunion of the Philip Hottenstein Line will be held in Hickory Hills Park in Potosi, WI on August 21, 2016. Lynne Wilburn will be the contact for info on the Potosi reunion this year. The 2016 annual mid-western branch of the Hottenstein reunions was held on blue skies, 72 degree breezy day, Hottenstein Reunion weather surely. Seventy-two family members, their friends and pets gathered again at Hickory Hill park, Potosi, WI, the small and well-kept site of all of our recent reunions. Some family members were meeting each other for the first time.

Revolutionary War Organizations Seek Detailed Lineage Documents

From time to time, the Reunion receives requests for detailed lineage records relating from the Revolutionary War, to certify applications for membership in their respective organizations. These records are often building upon previous research documentation or are obtained from large genealogical holdings. However, family contacts can be resources of the last resort.

This past year, the Reunion had a contact seeking information on Jacob Hottenstein. The plea was *“All has been documented BUT linking Solomon to son Jacob-Jacob’s birth/baptism, marriage to Lydia Ruth, Lydia’s birth/baptism is missing”*. While the Reunion has information on relationships as provided by families, it is the families that may have and maintain the record documents. More often than not however, the records are sought from churches that record religious events or government agencies that record vital statistics and relationships as well as counts by location as with the census.

In this situation, the request related to a Daughters of the American Revolution (DAR) application. The requested information relates to Solomon Saul Hottenstein (b 1772), his son, Jacob Solomon Hottenstein (b 1799), who in 1819 married Lydia Ruth (b 1798). The family settled in Overton, Bradford County, Pennsylvania.

The researcher, Gloria Gibbel, from Nevada, would be ecstatic to receive documentation. Should any family members have any records or documentation to support/respond to this inquiry, please contact John Hottenstein, our Historian, or Terry Schnure, to establish contact with the researcher.
